Hi Eric. I plan to send out a TDD amendment request for NFB assessment and removal action. For assessment, we have used up almost 100 hours, so I plan to request additional 100 hour and for removal action, we have almost used up 2,150 hours, so I plan to request additional 850 hours. Please let me know if I need to increase or reduce the hours being requested. Thanks

Regards,

Eric
